

Corley Elementary School

Dear Parents:

There will be some new early morning enrichment programs offered for children in Kindergarten – 3rd Grade. Please select ONE program for your child, fill out and return the bottom of this form to your child’s teacher by Wednesday, September 8. There will be a drawing to select students for the classes on Wednesday, Sept 8. If your child isn’t selected, he/she will be placed on a waiting list. There is a 20 student limit for each class so please register quickly! There will be a second session beginning in November and a permission slip will be sent out for that in October. You must provide your own transportation to this enrichment activity. We’re excited to see your students!
